

WHAT WILL YOU LEARN?

As leaders, you don't have time not to manage. Career trajectory has meant that the key core skills of leadership have been lost in translation. This one-day workshop establishes a proven technique of putting time in up-front, in advance as a highly engaged manager.

WHAT SKILLS WILL YOU DEVELOP?

- Put into place solid systems for upfront people time investment
- Demonstrate ways to develop priorities & time management strategies as a Manager.
- Recognize individual strengths and weaknesses for each team member to balance the productivity of your team.
- Determine ways to meet the needs of the team through communication and coaching
- Use the GROW model for developing and coaching employees
- Use a feedback model to give feedback in a constructive and motivating way
